## **OFFICE CLOSURE DUE TO COVID-19**

Out of an abundance of caution due to the increase in positive COVID-19 cases in our zip codes, we have temporarily closed our customer service to walk-ins. We will be taking phone calls, answering emails and setting appointments if needed. We are taking these precautions to ensure the safety of our employees and customers and will continue to do so until we see daily positive cases in our zip codes trending downward.

If you have any concerns regarding your health or having symptoms, please contact your health provider or the Marion County Health Department. The health department offers free COVID-19 testing by appointment (352-644-2590). You do not need to be experiencing symptoms to be tested. Testing is also available at many other local medical providers, including urgent care facilities; call before visiting a facility if you would like to be tested for COVID-19.

Your patience is appreciated as we prioritize essential or emergency customer emails and phone calls at (352) 414-5454.
