They constructed the utility system and turned it over to us. As you can see, it is almost \$21,000 in improvements. You collected connection charges on them?

Mr. Schmalz: Yes.

Mr. Colen: Excellent, thank you.

On MOTION by Mr. Stepp, seconded by Mr. Brunner with all in favor, Accepting the LS Enterprises Florida Utility System, was approved.

SIXTH ORDER OF BUSINESS

New Business Items

A. Review and Ranking of Proposals for Construction Manager at Risk for Construction of a Utility Field Operations Facility

- 1. Allstate Construction, Inc.**
- 2. Gray Construction Services, Inc.**
- 3. Scherer Construction of North Florida, LLC**
- 4. Scorpio**
- 5. Wharton-Smith, Inc.**

Mr. Schmalz: The District received 5 proposals from 5 respondents who are interested in providing the services detailed and the advertised suggested qualifications. The primary objective of the RFQ was to identify and select a professional contract utilizing the construction manager at risk project delivery method for construction of a utility field operations facility, located on an 11-acre site. This will include office space, meeting space, warehouse space, indoor and outdoor equipment storage and a fueling station. Based on the scoring criteria submitted by the respondents, District staff ranked Scherer Construction as 5th, Gray Construction Services as 4th, Scorpio as 3rd, Allstate Construction Inc. as 2nd, and Wharton-Smith Inc. as 1st. Wharton-Smith demonstrated the best understanding of overall project, past performance and organizational approach. Wharton-Smith has done construction for the company in the past. They were the contractor of the construction of water treatment plant #3 and they are currently the contractor for the north water reclamation facility. I'd like to note the Board of Supervisors makes final ranking and the staff rankings are only for understanding purposes. Included in the agenda packet is the ranking sheet with our scores.

Mr. Colen: Each of you have received the submittals from the bidders. Do you have any questions on anything you read?

Mr. Brunner: No.

Mr. Colen: Alright, I think a motion is in order. This will be for Wharton-Smith.

Mr. Flint: Mr. Chair, just to clarify, you are adopting staff's recommended scores?

Mr. Colen: Yes.

On MOTION by Mr. Brunner seconded by Mr. Stepp with all in favor, Awarding the Construction Manager at Risk for Construction of a Utility Field Operations Facility to Wharton-Smith and Accepting Staff's Rankings of the Proposals with Wharton-Smith Ranked #1, was approved.

B. Review and Ranking of Proposals for Professional Architectural Services for the Construction of a Utility Field Operations Facility

- 1. Brame Heck Architects, Inc.**
- 2. JI2 Architecture, LLC**
- 3. Walker Architects, Inc.**

Mr. Schmalz: The District received submittals from three respondents who are interested in providing services with the criteria detailed in the RFQ. The primary objective was for the design and architectural consulting for planning, permitting, and construction administration

services or the construction of a new field utility operations, as previously described. Based on the scoring information and the criteria of the respondents, District staff ranked Brame Heck Architects 3rd, Walker Architects 2nd, and j12 Architecture as 1st. J12 showed the best understanding of the overall project and are able to work with the tight schedule.

Mr. Colen: Are there any questions? Is there a motion to adopt staff’s ranking?

On MOTION by Mr. Gysen seconded by Mr. Brunner with all in favor, Accepting Staff’s Ranking of Proposals for Professional Architectural Services for the Construction of a Utility Field Operations Facility with J12 Architecture Ranked #1, was approved.

SEVENTH ORDER OF BUSINESS

Ratification Items

A. Series 2022B Requisitions #75 - #79

Mr. Colen: First is Requisitions #75 - #79. This is from the contractor Wharton-Smith for the amount of \$802,747.69. The remaining balance is \$17,377,724.93. Are there any questions? Do I have a motion to ratify that requisition?

On MOTION by Mr. Brunner seconded by Mr. Gysen with all in favor, Series 2022B Requisitions #75-#79, were ratified.

B. Kimley Horn NWRf Engineering Services Amendment #6

Mr. Colen: This is an agreement Kimberly Horn and Bay Laurel for additional construction administrative services.

Mr. Schmalz: The original Kimley Horn contract assumed a construction duration of 24 calendar months, in which construction administrative assistance was provided by Kimley Horn. Amendment 3 added an additional 6 months of active construction administration assistance to the original contract scope for a total of 30 calendar months, ending January 31, 2025. This amendment will extend the active construction administration assistance to the original contract scope until the final completion of the project construction, including completion of all owner and regulatory required close out documents. This is anticipated to be an additional 10 calendar months, and in the event the final construction extends beyond the estimated timeline this amendment will include the additional time to completion. That will bring us to decommissioning of the south wastewater treatment facility and include all of the required regulatory documents for the north water reclamation facility. For Kimley Horn’s construction

administration services, we should not have another amendment to their contract. I do want to point out that with the \$260,000 added, this will bring the total up to \$5,627,065. Typical engineering costs for a project like is approximately 10%. This will bring them at 4.71% of the overall project.

On MOTION by Mr. Brunner seconded by Mr. Gysen with all in favor, Kimley Horn NWRf Engineering Services Amendment #6, was ratified.

C. Kimley Horn NWRf Engineering Services Amendment #7

Mr. Schmalz: The District has been conducting many facility tours, as I am sure many of you are aware of. At the new facility, we thought it would be best for tours, with it being a newer facility. We would like to add some outdoor signage, starting at the main building and potentially some signage at the particular structures. Amendment 7 has the design structure with Kimley Horn for designing educational signage that will explain the process of the plant in an artistic for that is easily understood by the public.

Mr. Colen: Any questions on that?

Mr. Brunner: I think it's a great idea.

On MOTION by Mr. Brunner seconded by Mr. Gysen with all in favor, Kimley Horn NWRf Engineering Services Amendment #7, was ratified.

D. Kimley Horn Professional Services Agreement for Consulting Engineer's Annual Report 2024-2025

Mr. Colen: We have to do this by the bond conditions. Any questions on that?

On MOTION by Mr. McLeod seconded by Mr. Brunner with all in favor, the Kimley Horn Professional Services Agreement for Consulting Engineer's Annual Report 2024-2025, was ratified.

E. Jones Edmunds & Associates Task Assignment No. 31 for 2025 Quarterly Groundwater Monitoring and Report

Mr. Colen: Mr. Schmalz, I think there are changes here?

Mr. Schmalz: Yes, task assignment #31 is for the purpose of meeting the requirements of the wastewater operating permit, issued by the Florida Department of Environmental Protection. This requires quarterly samples. Previously, it was 8 monitoring wells, but with the new facility,

we had to add 5 additional groundwater monitoring wells. That brings the total monitoring wells to 13. This task assignment includes the required sampling on a quarterly basis for those 13 monitoring wells. The admins have been completing this service for many years and provides great service and support.

Mr. Colen: Any questions? May I have a motion to ratify?

On MOTION by Mr. Stepp seconded by Mr. Brunner with all in favor, the Jones Edmunds & Associates Task Assignment No. 31 for 2025 Quarterly Groundwater Monitoring and Report, was ratified.

F. UniFirst Customer Services Agreement for Uniforms

Mr. Colen: Any change here?

Mr. Schmalz: No change, this is for a 5-year agreement. I do want to point out that we were able to negotiate the price increase from our original agreement a few years ago.

Mr. Colen: May I have a motion to ratify the UniFirst Customer Services Agreement for Uniforms?

On MOTION by Mr. Stepp seconded by Mr. Gysen with all in favor, the UniFirst Customer Services Agreement for Uniforms, was ratified.

G. Florida Municipal Pension Trust Fund Agreement for Preparation of GASB 75 Disclosures

Mr. Flint: This is an annual requirement and is part of the audit process that we comply with GASB 75 Disclosures. To do this, we engage the Florida League of Cities, which is the entity that does the calculations for us. This is \$3,000.

Mr. Colen: May I have a motion to ratify?

On MOTION by Mr. McLeod seconded by Mr. Stepp with all in favor, the Florida Municipal Pension Trust Fund Agreement for Preparation of GASB 75 Disclosures, was ratified.

EIGHTH ORDER OF BUSINESS

Staff Reports

A. Attorney

Mr. Colen: Staff reports. Counsel?

Ms. Wagoner: I have nothing.

B. Utility Status Report

Mr. Colen: Utility Status Report.

Mr. Schmalz: Good morning. Mr. Bryan Schmalz, Utility Director for Bay Laurel Center. I'll give an update on where we are at with the water treatment facilities. We are currently producing an annual average daily flow of 4,835,060 gallons per day. That is 1.765 million gallons from February 2024 through February 2025. Year over year, that is a 4.8% increase in flows for the same time period, with a 7.8% increase in a service connection. That is additional service connections by 924 in that time frame. As far as wastewater flows, we are at 961,000 gallons treated per day. We are starting to hit flows of about 1.1 million gallons a day, peaking around December or January is what we have seen. That is 351 million gallons of wastewater treatment over the past 12 months. 62% of the wastewater has been reutilized in the public golf course as to offset 217 million gallons of groundwater withdrawals. To give you a status update on the north water reclamation facility, it is making great progress. We are in the process of starting up new equipment and performing staff training. We are scheduled to begin staging seed sludge in the digest of the north water reclamation facility on March 3rd. We will be transporting biosolids, with bacteria, from the existing plant to the north plant to begin staging 5,000 gallons of seed sludge. The plan at this time is to bring the facility online on March 31st, it was originally scheduled for March 28th, which is a Friday, but we do not start plants on Fridays. March 31st is a Monday. The wing facility online will send public access water to the new ground storage tank. We have the potential to not produce public access reusable water for a week or up to 2 weeks. To ensure that our customers have water through that time, we are going to transfer through our network of piping, public access reclaim water to the North facility. This way we can fill all of our storage tanks up, which will give us 8.7 million gallons of water. On March 31st, we will begin transferring all liquids from the South facility and decommissioning the reclaim water pump filtration. We will be pumping all of the liquids into the collection system network to move it through the piping to the North. This means we do not have to pay to transport it through trucks. We will be making some noise in the facility long into the evening at that site. I'm sure the residents are quite happy to deal with a little bit of noise to move that facility out of their community. We will also be staffing the facility 24 hours a day until the facility is fully acclimated. Staff will work 12-hour shifts for 3 weeks. The plan is we hope to have the facility running directly within a week, but three weeks is the latest. With the planning we have done, we

should reduce the time dramatically. As far as some great news, we are in the process of conducting our public supply annual report. We have talked about per capita needing to be under 150 gallons per person per day. Last year we were close at 153 per capita and this year we are landing at 108.7. That is the first time in my career we have been able to do that. This is helped from all of the opportunities the Board provides the community to reduce and conserve water. Everything from the new standards on the homes, the 6,000-gallon water bucket we require for all new homes and also all of the programs that the Board approves for irrigation audit programs, etc. We also do the water scorecard, where a resident gets a sad face on a postcard telling them they are using more water than they should. We also do hundreds of leak notification letters every single month. All of these proactive things we have done over the year have helped our water usage. Thank you.

Mr. Colen: Congratulations. Thank you for your report.

C. District Manager’s Report

1. Approval of Check Register

Mr. Colen: The first item that we have is the check register. We have checks #18517 through #18749 for \$3,032,338.69. There is a summary of those invoices that follow. Should the Board have any questions, we can take those, or we can take a motion to approve.

On MOTION by Mr. Brunner seconded by Mr. Stepp with all in in favor the Check Register in the amount of \$3,032,338.69, was approved.

2. Balance Sheet and Income Statement

Mr. Colen: Behind the check register is your balance sheet and income statement. No action is required by the Board.

2. LEASE PAYMENTS. You agree to remit to us the Lease Payment and all other sums when due and payable each Billing Period at the address we provide to you from time to time. You agree that you will remit payments to us in the form of company checks (or personal checks in the case of sole proprietorships), direct debit or wires only. You also agree cash and cash equivalents are not acceptable forms of payment for this Lease and that you will not remit such forms of payment to us. Payment in any other form may delay processing or be returned to you. Furthermore, only you or your authorized agent as approved by us will remit payments to us. Lease Payments will include any freight, delivery, installation and other expenses we finance on your behalf at your request. Lease Payments are due whether or not you receive an invoice. You authorize us to adjust the Lease Payments by not more than 15% to reflect any reconfiguration of the Equipment or adjustments to reflect applicable sales taxes or the cost of the Equipment by the manufacturer and/or Supplier.

3. LEASE CHARGES. You agree to: (a) pay all costs and expenses associated with the use, maintenance, servicing, repair or replacement of the Equipment; (b) pay all fees, assessments, taxes and charges governmentally imposed upon Lessor's purchase, ownership, possession, leasing, renting, operation, control or use of the Equipment and pay all premiums and other costs of insuring the Equipment; (c) reimburse us for all costs and expenses incurred in enforcing this Lease; and (d) pay all other costs and expenses for which you are obligated under this Lease ((a) through (d) collectively referred to as "Lease Charges"). You agree, at our discretion, to either: (1) reimburse us for all personal property and other similar taxes and governmental charges associated with the ownership, possession or use of the Equipment when billed by the jurisdictions; or (2) remit to us each Billing Period our estimate of the pro-rated equivalent of such taxes and

governmental charges. In the event that the Billing Period sums includes a separately stated estimate of personal property and other similar taxes, you acknowledge and agree that such amount represents our estimate of such taxes that will be payable with respect to the Equipment during the Term. As compensation for our internal and external costs in the administration of taxes related to each unit of Equipment, you agree to pay us a "Tax Administrative Fee" equal to \$12 per unit of Equipment per year during the Term, not to exceed the maximum permitted by applicable law. The Tax Administrative Fee, at our sole discretion, may be increased by an amount not exceeding 10% thereof for each subsequent year of the Term to reflect our increased cost of administration and we will notify you of any such increase by indicating such increased amount in the relevant invoice or in such other manner as we may deem appropriate. We may take on your behalf any action required under this Lease which you fail to take, and upon receipt of our invoice you will promptly pay our costs (including insurance premiums and other payments to affiliates), plus reasonable processing fees. Restrictive endorsements on checks you send to us will not reduce your obligations to us. We may charge you a return check or non-sufficient funds charge of \$25 for any check which is returned by the bank for any reason (not to exceed the maximum amount permitted by law).

4. LATE CHARGES. For any payment which is not received within three (3) days of its due date, you agree to pay a late charge equal to the higher of 5% of the amount due or \$35 (not to exceed the maximum amount permitted by law) as reasonable collection costs.

5. OWNERSHIP, USE, MAINTENANCE AND REPAIR. We own the Equipment and you have the right to use the Equipment under the terms of this Lease. If this Lease is deemed to be a secured transaction, you grant us a first priority security interest in the Equipment to secure all of your obligations under this Lease. We hereby assign to you all our rights under any manufacturer and/or supplier warranties, so long as you are not in default hereunder. You must keep the Equipment free of liens. You may not remove the Equipment from the address indicated on page 1 of this Lease without first obtaining our approval. You agree to: (a) keep the Equipment in your exclusive control and possession; (b) use the Equipment in conformity with all insurance requirements, manufacturer's instructions and manuals; (c) keep the Equipment repaired and maintained in good working order and as required by the manufacturer's warranty, certification and standard full service maintenance contract; and (d) give us reasonable access to inspect the Equipment and its maintenance and other records.

6. INDEMNITY. You are responsible for all losses, damages, claims, infringement claims, injuries and attorneys' fees and costs, including, without limitation, those incurred in connection with responding to subpoenas, third party or otherwise ("Claims"), incurred or asserted by any person, in any manner relating to the Equipment, including its use, condition or possession. You agree to defend and indemnify us against all Claims, although we reserve the right to control the defense and to select or approve defense counsel. This indemnity continues beyond the termination of this Lease for acts or omissions which occurred during the Term of this Lease. You also agree that this Lease has been entered into on the assumption that we are the owner of the Equipment for U.S. federal income tax purposes and will be entitled to certain U.S. federal income tax benefits available to the owner of the Equipment. You agree to indemnify us for the loss of any U.S. federal income tax benefits resulting from the failure of any assumptions in this Lease to be correct or caused by your acts or omissions inconsistent with such assumption or this Lease. In the event of any such loss, we may increase the Lease Payments and other amounts due to offset any such adverse effect.

7. LOSS OR DAMAGE. If any item of Equipment is lost, stolen or damaged you will, at your option and cost, either: (a) repair the item or replace the item with a comparable item reasonably acceptable to us; or (b) pay us the sum of: (i) all past due and current Lease Payments and Lease Charges; (ii) the present value of all remaining Lease Payments and Lease Charges for the effected item(s) of Equipment, discounted at the rate of 6% per annum (or the lowest rate permitted by law, whichever is higher); and (iii) the Fair Market Value of the effected item(s) of Equipment. We will then transfer to you all our right, title and interest in the effected item(s) of Equipment AS-IS AND WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION, TITLE OR VALUE. Insurance proceeds shall be applied toward repair, replacement or payment hereunder, as applicable. In this Lease, "Fair Market Value" of the Equipment means its fair market value at the end of the Term, assuming good order and condition (except for ordinary wear and tear from normal use), as estimated by us. No such loss or damage shall relieve you of your payment obligations under this Lease.

8. INSURANCE. You agree, at your cost, to: (a) keep the Equipment insured against all risks of physical loss or damage for its full replacement value, naming us as loss payee; and (b) maintain public liability insurance, covering personal injury and Equipment damage for not less than \$300,000 per occurrence, naming us as additional insured. The policy must be issued by an insurance carrier acceptable to us, must provide us with not less than 15 days' prior written notice of cancellation, non-renewal or amendment, and must provide deductible amounts acceptable to us.

9. DEFAULT. You will be in default under this Lease if: (a) you fail to remit to us any payment within ten (10) days of the due date or breach any other obligation under this Lease; (b) a petition is filed by or against you or any guarantor under any bankruptcy or insolvency law; or (c) you default under any other agreement with us.

10. REMEDIES. If you default, we may do one or more of the following: (a) recover from you, AS LIQUIDATED DAMAGES FOR LOSS OF BARGAIN AND NOT AS A PENALTY, the sum of: (i) all past due and current Lease Payments and Lease Charges; (ii) the present value of all remaining Lease Payments and Lease Charges, discounted at the rate of 6% per annum (or the lowest rate permitted by law, whichever is higher); and (iii) the Fair Market Value of the Equipment; (b) declare any other agreements between us in default; (c) require you to return all of the Equipment in the manner outlined in Section 11, or take possession of the Equipment, in which case we shall not be held responsible for any losses directly or indirectly arising out of, or by reason of the presence and/or use of any and all proprietary information residing on or within the Equipment, and to lease or sell the Equipment or any portion thereof, and to apply the proceeds, less reasonable selling and administrative expenses, to the amounts due hereunder; (d) charge you interest on all amounts due us from the due date until paid at the rate of 1-1/2% per month, but in no event more than the lawful maximum rate; and (e) charge you for expenses incurred in connection with the enforcement of our remedies including, without limitation, repossession, repair and collection costs, attorneys' fees and court costs. These remedies are cumulative, are in addition to any other remedies provided for by law, and may be exercised concurrently or separately. Any failure or delay by us to exercise any right shall not operate as a waiver of any other right or future right.

11. END OF TERM OPTIONS; RETURN OF EQUIPMENT. At the end of the Term and upon 30 days prior written notice to us, you shall either: (a) return all, but not less than all, of the Equipment; or (b) purchase all, but not less than all, of the Equipment AS-IS AND WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION, TITLE OR VALUE, for the Fair Market Value, plus applicable sales and other taxes. If you do not provide us with such written notice and either return all of the Equipment or purchase all of the Equipment at the end of the Term, then this Lease will automatically renew on a month-to-month basis and all of the provisions of this Lease shall continue to apply, including, without limitation, your obligations to remit Lease Payments, Lease Charges and other charges, until all of the Equipment is either returned to us (either because we demand return of the Equipment or you decide to return the Equipment) or purchased by you for the applicable Fair Market Value, plus applicable sales and other taxes, in accordance with the terms hereof. If you are in default, or you do not purchase the Equipment at the end of the Term (or any month-to-month renewal term), you shall: (1) return all of the Equipment, freight and insurance prepaid at your cost and risk, to wherever we indicate in the continental United States, with all manuals and logs, in good order and condition (except for ordinary wear and tear from normal use), packed per the shipping company's specifications; and (2) securely remove all data from any and all disk drives or magnetic media prior to returning the Equipment (and you are solely responsible for selecting an appropriate removal standard that meets your business needs and complies with applicable laws). You will pay us for any loss in value resulting from the failure to maintain the Equipment in accordance with this Lease or for damages incurred in shipping and handling.

12. ASSIGNMENT. You may not assign or dispose of any rights or obligations under this Lease or sublease the Equipment without our prior written consent. We may, without notifying you: (a) assign all or any portion of this Lease or our interest in the Equipment; and (b) release information we have about you and this Lease to the manufacturer, Supplier or any prospective investor, participant or purchaser of this Lease. If we do make an assignment under subsection 12(a) above, our assignee will have all of our rights under this Lease, but none of our obligations. You agree not to assert against our assignee claims, offsets or defenses you may have against us.

13. MISCELLANEOUS. Notices must be in writing and will be deemed given five (5) days after mailing to your (or our) business address. You represent that: (a) you have authority to enter into this Lease and by so doing you will not violate any law or agreement; and (b) this Lease is signed by your authorized officer or agent. This Lease is the entire agreement between us, and cannot be modified except by another document signed by us. This Lease is binding on you and your successors and assigns. All financial information you have provided is true and a reasonable representation of your financial condition. You authorize us, our agent or our assignee to: (a) obtain credit reports and make credit inquiries; (b) furnish your information, including credit application, payment history and account information, to credit reporting agencies and our assignees, potential purchasers or investors and parties having an economic interest in this Lease or the Equipment, including, without limitation, the seller, Supplier or any manufacturer of the Equipment; and (c) you irrevocably grant us the power to prepare, sign on your behalf (if applicable), and file, electronically or otherwise Uniform Commercial Code ("UCC") financing statements and any amendments thereto or continuation thereof relating to the Equipment, and containing any other information required by the applicable UCC. Any claim you have against us must be made within two (2) years after the event which caused it. If a court finds any provision of this Lease to be unenforceable, all other terms shall remain in effect and enforceable. You authorize us to insert or correct missing information on this Lease, including your proper legal name, serial numbers and any other information describing the Equipment. If you so request, and we permit the early termination of this Lease, you agree to pay a fee for such privilege.

THE PARTIES INTEND THIS TO BE A "FINANCE LEASE" UNDER ARTICLE 2A OF THE UCC. YOU WAIVE ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC. YOU FURTHER HEREBY ACKNOWLEDGE AND AGREE THAT WE AND/OR SUPPLIER MAY MAKE A PROFIT ON ANY AND ALL FEES REFERENCED HEREIN AND, IN SO DOING WAIVE ANY AND ALL CLAIM WHICH YOU MAY HAVE FOR UNJUST ENRICHMENT. We may receive compensation from the manufacturer and/or Supplier of the Equipment in order to enable us to reduce the cost of this Lease below what we otherwise would charge. If we received such compensation, the reduction in the cost of this Lease is reflected in the Lease Payment.

14. ELECTRONIC TRANSMISSION OF DOCUMENTATION. This Lease may be executed in counterparts. The executed counterpart which has our original signature and/or is in our possession shall constitute chattel paper as that term is defined in the UCC and shall constitute the original agreement for all purposes, including, without limitation: (i) any hearing, trial or proceeding with respect to this Lease; and (ii) any determination as to which version of this Lease constitutes the single true original item of chattel paper under the UCC. If you sign and transmit this Lease to us by facsimile or other electronic transmission, the transmitted copy shall be binding upon the parties. You agree that the facsimile or other similar electronic transmission of this Lease manually signed by us, when attached to the facsimile or other electronic copy signed by you, shall constitute the original agreement for all purposes. The parties further agree that, for purposes of executing this Lease, and subject to our prior approval and at our sole discretion: (a) a document signed and transmitted by facsimile or other electronic transmission shall be treated as an original document; (b) the signature of any party on such document shall be considered as an original signature; (c) the document transmitted shall have the same effect as a counterpart thereof containing original signature; and (d) at our request, you, who executed this Lease and transmitted its signature by facsimile or other electronic transmission shall provide the counterpart of this Lease containing your original manual signature to us. No party may raise as a defense to the enforcement of this Lease that a facsimile or other electronic transmission was used to transmit any signature of a party to this Lease.

ALL INCLUSIVE SERVICE AGREEMENT TERMS AND CONDITIONS

Document Technologies will provide service on the equipment noted on the reverse of this agreement for the term stated therein. All service calls, including preventative maintenance, are covered under this agreement. Service will be provided between 8:00 AM and 5:00 PM, Monday through Friday, excluding holidays.

If the service agreement is based on a stated cost per copy, the agreement shall be all-inclusive, covering all parts, labor, toner, and supplies, except for paper and staples, at no charge to the customer other than the stated cost per copy. Supplies may be stocked at the customer's location under this program, for use with the covered equipment only. Supplies are the property of Document Technologies. The supplies may be picked up at our office at no charge, or may be delivered at a nominal charge for shipping.

If the service agreement is based on customer purchase of toner supplies and/or cartridges, then the agreement shall cover all parts, labor, and supplies exclusive of toner, paper, and staples. Toner supplies must be purchased from Document Technologies, and will be billed at the manufacturers' published pricing. Document Technologies may terminate this service agreement, at its sole discretion, for customer's purchase or use of toner or other supplies from any source other than Document Technologies.

Charges under the cost per copy billing basis will be billed at month end based on actual meter readings. Charges for toner and/or toner cartridges under that billing basis will be billed upon delivery of the items to the customer. Customer agrees to provide regular monthly meter readings to Document Technologies, regardless of the billing basis.

The initial term of this service agreement is as stated in the Retail Order on the reverse. This agreement will be automatically renewed upon the expiration of the initial service agreement term, and also upon the expiration of each successive renewal term, unless either party provides written notice of cancellation not less than thirty days prior to the expiration of the then current agreement period. Document Technologies may, at its option, annually increase prices for agreements based on stated costs per copy, by an amount not to exceed 10% annually. Such increases will become effective on the anniversary of the effective date of the initial service agreement. For agreements based on purchase of toner or toner cartridges, price increases may be implemented based on increases in manufacturers' published pricing for those items.

Invoices not paid within thirty days are subject to a 1½% per month Finance Charge.

This agreement does not provide repairs required because of accident, fire, vandalism, water, force of nature, electrical failure, abuse, negligence of operators, or usage outside of factory specifications. Casualty or damage resulting from someone other than a Document Technologies employee servicing the equipment is not covered. Exterior cover damage and fading are not covered under this agreement.

This agreement is subject to cancellation at the option of Document Technologies if any invoice to the customer is unpaid more than 30 days past the due date of the invoice. Document Technologies may also, at its option, cancel the agreement if the equipment listed on the retail order is relocated out of Document Technologies' servicing area.

- B. The Consultant shall perform services necessary under this Agreement in a competent and professional manner with the professional skill and care ordinarily provided by competent engineers practicing in the same or similar locality and under the same or similar circumstances and professional license, as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer.

The Client's approval of drawings, design, specifications, reports incidental engineering services or materials furnished hereunder shall not in any way relieve the Consultant of liability for the technical adequacy of its services nor shall the Client's approval or acceptance of the Consultant' s services be construed as a waiver of any rights under this Agreement.
- D. The Consultant shall be and shall remain liable, in accordance with applicable law, for all damages to the Client caused by the Consultant's negligent performance of any of the services furnished under this Agreement, except for errors, omissions or other deficiencies to the extent attributable to the Client or any third party. The Consultant shall not be responsible for any time delays in the PROJECT caused by circumstances beyond its control.

ARTICLE 5 – METHOD OF PAYMENT

- A. Subject to the terms, conditions and requirements set forth in this Agreement, payments with respect to Work properly performed by Consultant pursuant to this Agreement shall only be made to Consultant in strict accordance with the proper invoice and timely submission; it being understood and agreed that Consultant shall not be entitled to payment other than in accordance with said invoices and Consultant shall not invoice or otherwise request payment from Client other than in accordance with the agreed upon price. Consultant shall only be paid upon proper satisfactory performance of its Work.
- B. Invoices will be submitted periodically for services performed and expenses incurred. Payment of each invoice will be due within thirty (30) days of receipt. All retainers will be held by the Consultant and applied against the final invoice. Interest will be added to accounts not paid within thirty (30) days at the maximum rate allowed by law. If the Client fails to make any payment due under this or any other agreement within sixty (60) days after the Consultant's transmittal of its invoice, the Consultant may, after giving notice to the Client, suspend services and withhold deliverables until all amounts due are paid.

- C. If the Client objects to an invoice, it must advise the Consultant in writing giving its reasons within fourteen (14) days of receipt of the invoice or the Client's objections will be waived, and the invoice shall conclusively be deemed due and owing. If the Client objects to only a portion of the invoice, payment for all other portions remains due within thirty (30) days of receipt.
- D. The Client agrees that the payment to the Consultant is not subject to any contingency or condition. The Consultant may negotiate payment of any check tendered by the Client, even if the words "in full satisfaction" or words intended to have similar effect appear on the check without such negotiation being an accord and satisfaction of any disputed debt and without prejudicing any right of the Consultant to collect additional amounts from the Client.
- E. As often as requested by Client and as a condition precedent to payment, Consultant shall submit proof of Consultant's payment to all entities claiming through Consultant, who furnished labor, materials, services, or equipment in connection with the Project during the period of the prior application for payment by affidavit.
- F. Any payment made pursuant to this Agreement shall not be construed as evidence of performance by Consultant. Further, any and all payments made hereunder, be it a partial or final payment shall not be construed to be an acceptance of defective work, improper materials, or the performance of the Consultant's obligations under this agreement.
- G. Notwithstanding anything contained in this Agreement, a payment shall not be considered due and owing to the Consultant, and the Client shall not be obligated to make any payment, either partial or final so long as the Client reasonably believes any one of the following conditions precedent to payment exist or may occur:
 - 1. Consultant has failed to perform any of its obligations under the Contract Documents;
 - 2. Any part of a payment requested by Consultant is attributable to Work which is defective or was not performed in accordance with the Contract Document; provided, however, if severable, payment shall be made as to the part of the Work which appears to be properly performed after allowance for the cost and impact of correcting the defective part of the Work, as estimated or determined by Client; or
 - 3. Consultant has failed to make payment promptly to any potential lien or bond claimants;

ARTICLE 6 – CHANGES AND CLAIMS

A. Changes

- 1. Client reserves the rights to, at any time, make changes, substitutions, additions, deletions, or deviations in the Work (the "Changes") to be performed under this Agreement at any time by written order and without notice and in such event, Consultant shall promptly perform this Agreement as changed. Any increase or decrease in Consultant's price resulting from the change shall be subject to Client's prior approval in writing. Before proceeding with any Changes, Consultant must first obtain a written Change Order signed by an authorized agent. No changes are valid, and Client is not liable to Consultant for extra work or materials furnished, except upon

written order signed by Client and signed by Consultant; it being understood and agreed that Consultant and Client cannot rely on verbal notice.

CERTIFICATION OF BAY LAUREL CENTER COMMUNITY DEVELOPMENT DISTRICT:

Attached hereto is the Contractor's Application for Payment for work accomplished under the above contract through the date indicated above. If applicable, accompanying the Application is the Contractor's Affidavit stating that all previous payments to it under the contract have been applied by it to discharge, in full, all of its obligations in connection with work ordered by all prior Applications for Payment.

If requisition of any amount requested thereunder is for the acquisition of real property, as indicated by the yes response set forth above, the following paragraph is applicable: The payment for any real property or interest therein from moneys requested by this Requisition is in compliance in all respects with the requirements of Section 5.02 of the Trust Indenture relating thereto.

The requisition certifies that the work to which the payment relates has been accomplished in a manner satisfactory to the Issuer, and the amount to be paid does not exceed the obligation on account of which the payment is made. The Issuer's certifications may be based upon certificates satisfactory to it provided by the Consulting Engineer

In the case of payments to discharge indebtedness of the Issuer, the proceeds of which were used for payments properly chargeable against the Project Fund, the Issuer shall provide as an attachment to the requisition a copy of any note or other evidence of the indebtedness to be discharged.

WHEREAS, the authorized officer certifies as part of this requisition that:

There has not been filed with or served upon the Issuer notice of any lien, right to liens, or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable to the persons, firm or corporations named in such requisitions, which has not been released or will be released simultaneously with the payment of such obligation, and that this requisition contains no item representing payment on account of any retained percentage which the Issuer is at the date of such certificate entitled to retain, such payment obligation was properly incurred and is a proper charge against the Project Fund, is a "Cost" permitted under the Trust Indenture for the above-referenced Bonds and under the Act (as defined in such Trust Indenture) and such payment is in accordance with the plans and specifications or duly approved change order for the above-referenced project.

It is further certified that the above amount due has not been paid and that the items of work to be paid for have been completed, or materials delivered, with respect to the amount due.

The Cost for which payment is requested hereunder is/is not (circle appropriate choice) one in which payment shall first be made from the Connection Charge Fund.

In the event that any requisition for the acquisition price of a specific component of the Utilities System or a Project is in payment for any real property or interest therein, the Issuer has received a title insurance policy approved by Counsel covering such property or written opinion of Counsel or any attorney designated for such purpose by Counsel, to the effect that the Issuer shall have upon such payment marketable title in fee simple to such property, subject to no lien, charge or encumbrance thereon affecting the title thereto except liens, charges, encumbrances or other defects of title which do not have a materially adverse effect upon the right of the Issuer to use such property for the purposes intended or which have been adequately guarded against by a bond or other form of indemnity.

WHEREFORE, in accordance with the above, the undersigned has approved payment to Contractor of the Amount Due as shown above.

FEE's standard fuel surcharge calculation is tied directly to the national average price of diesel fuel as reported and made publicly available weekly by the Energy Information Administration of the U.S. Department of Energy in its Weekly Retail On-Highway Diesel Prices Index. FEE's fuel surcharge matrix is available for review upon Customer's request. **Franchise Fee:** FEE may charge Customer a franchise fee. This fee reflects a user tax issued by a Florida municipality through FEE for services provided to Customer. FEE reserves the right in its absolute discretion to make reasonable and necessary changes to the amount of the franchise fee charged to Customer at any time and for any reason it deems necessary. For further information on FEE's charges, fees, and price adjustments, please visit www.floridaexpress.us or contact FEE by phone at (888) 813.7660 or by email at sales@FloridaExpress.us.

8. **CHARGES & PAYMENT:** Customer shall be liable for any and all taxes, fees or other charges imposed upon the services provided by federal, state, local or provincial laws and regulations. In the event that any payment is not made when due, FEE, at its sole option, may at any time, terminate this Agreement upon notice to Customer and recover any equipment on the premises of Customer. FEE may impose, and Customer agrees to pay, a late fee (Finance Charge) not to exceed the maximum rate allowed by applicable law for all past due payments. 10. **COLLECTION & LITIGATION ACTION:** This Agreement shall be interpreted in accordance with and governed by the laws of the State of Florida and the venue of any action to enforce or related to any provision of this Agreement shall be in Marion County, Florida. FEE shall be entitled to recover from Customer all costs and expenses in connection with collecting any monies owed on Customer's account(s) including, but not limited to, employee's time at the rate of \$50.00 per hour. Customer is responsible for notification to FEE for any changes to its address(es); either service or billing.

12. **ASSIGNMENT; SUCCESSORS; BINDING AGREEMENT:** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors, legal representatives and assigns. Neither party may assign this Agreement, or any of its rights or interest herein, without the prior written consent of the other party, except that FEE may assign this Agreement, or any of its

rights or interest herein, without such consent to any person or entity succeeding to its business (whether by consolidation, merger, purchase, or operation of law) and also to any parent, subsidiary or other affiliate of FEE. Customer will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of

Customer, by written agreement, in form and substance satisfactory to FEE, to expressly assume and agree to pay and perform this Agreement in the same manner and to the same extent that Customer would be required to pay and perform if no such succession had taken place. Failure of Customer to obtain such assumption and agreement prior to the effectiveness of any such succession will be a default under this Agreement and entitle FEE to compensation and damages from Customer in the same amount and on the same terms as FEE would be entitled to hereunder in the event of a default by Customer (specifically by failure to make payment in accordance with the terms of this Agreement) on the succession date. As used in this Agreement, the term "Customer" means the Customer as defined and listed in and listed on the front side of this Agreement and any successor to its business or assets which executes and delivers the agreement provided for in this Section or which otherwise becomes bound by all the terms and provisions of this Agreement by operation of law or otherwise. 14. DEFAULT: The Customer shall automatically be in default upon its failure to make any payment due hereunder to FEE within ~~five~~ ~~thirty~~ (530) days of the due date; otherwise, either party shall be in default if they fail to cure a material breach of the provisions of this Agreement within five (5) business days after the receipt of written notice detailing the failure (collectively, an "EVENT OF DEFAULT").

15. LIQUIDATION DAMAGES FOR DEFAULT: After an EVENT OF DEFAULT, other than as provided or authorized herein, the parties agree and stipulate that in addition to any sums due for services rendered, the Customer shall pay to FEE a sum equal to ~~twelve~~ ~~two~~ (122) months' charges to be determined on the basis of the average of the last ~~twelve~~ ~~two~~ (122) months' invoices during the existence of this Agreement, ~~or if the Customer has not made purchases for twelve (12) months, the Customer's most recent monthly charge multiplied by sixty months (60) or the remaining term of this Agreement whichever is less, as liquidated damages.~~ Should multiple Agreements exist between FEE and the Customer, a default in one of said Agreement, shall be deemed a default of all Agreements. The parties agree and stipulate to this liquidated damages provision as means of establishing reasonable compensation in the event of the foregoing defaults.

16. NOTICE AND DAYS: All periods of notice in this Agreement shall start on the date of mailing or hand delivery of written notice. Days as used in this Agreement shall mean calendar days and shall include weekends and holidays.

AGREEMENT: Florida Express Environmental ("FEE") and the customer, in consideration of each party's undertaking and covenants, agree to all of the terms on this and the front side of this Agreement. All oral agreements made between FEE and Customer as evidenced by requested services that have been provided and/or operational practices while services are performed shall be part of this Agreement. SERVICE GUARANTEE: FFE guarantees our Services (as defined below). If Company fails to perform Services in accordance with the attached service summary (the "Service Summary") and Company does not remedy such failure within thirty (30) business days of its receipt of a written demand from Customer, Customer may immediately terminate this Agreement without penalty.

2. CUSTOMER DUTIES: Customer grants to FEE the exclusive right to collect and dispose of all the Customer's waste & recyclable materials. FEE Containers and/or Portable Toilets (the "ASSETS") shall be in the possession and control of the Customer. Customer shall be responsible for the cleanliness and safekeeping of the ASSETS. All ASSETS furnished by FEE for use by the Customer shall remain the property of FEE and the Customer shall have no right, title or interest in them. Customer shall not make any alterations or improvements to or relocate the ASSETS without the prior written consent of FEE. Any unauthorized movement of ASSETS without advanced written consent of FEE may result in administrative charges equal to 1.5 times the normal charge to provide service, for each unapproved movement. Customer shall not overload the ASSETS, nor use them for incineration purposes and shall be liable to FEE for loss or damage to the ASSETS in excess of normal wear and tear in an amount to be determined by FEE in its sole and absolute discretion. Customer warrants that all material deposited in an FEE ASSET for disposal shall be Acceptable Waste (according to Florida DEP Standards). Acceptable Waste does not include hazardous, toxic, highly flammable, radioactive or other materials ("Unacceptable Waste").

3. PROPERTY DAMAGE: FEE shall not be responsible for damage to Customer's pavement or other driving surfaces resulting from the weight of vehicles servicing the equipment location designated by the Customer.

4. INDEMNIFICATION, LIABILITY, AND INSURANCE: Customer agrees to hold harmless, release, discharge, defend, indemnify, and covenants not to sue FEE from and against all claims, lawsuits, demands, penalties, fees, costs, and other liability for injury or death to persons or damage to real or personal property or to the environment arising out of or relating to the possession or use of the ASSETS by the Customer; FEE's use of roads, paved areas or any other surfaces necessary for FEE's trucks to travel on to service the premises of Customer, or any damage to Customer's service location(s) due to use of FEE's vehicle and/or equipment including damage to improved surfaces, concrete curbs, sidewalks, ~~other concrete work, fences, landscaping, sprinkler systems, grass, trees, bushes or any other item that may be damaged~~ as a result of normal serving of the ASSETS located on Customer's property. Customer agrees to purchase and maintain at its sole expense during the full term and duration of this Agreement, general liability insurance in the amount of two one million dollars (\$21,000,000) per occurrence, and environmental legal liability insurance in the amount of one two million dollars (\$12,000,000) per occurrence, written by a standard insurer, and to name FEE as a co-insured on both policies, covering all matters addressed in Section 4 of this Agreement.

5. FEE'S DUTIES: FEE shall collect and dispose of all waste materials (excluding Unacceptable Waste) of the Customer placed in the ASSETS provided to the Customer at the service address(es) and location or relocation address(es), at the frequency of service indicated. FEE shall not be required to accept any Unacceptable Waste placed in the ASSETS. After notice given to FEE by the Customer, FEE shall make any necessary and reasonable repairs to the ASSETS furnished for use by Customer and shall replace the ASSETS when the ASSETS are no longer fit for the purpose intended. Customer agrees that excessive wear and tear of ASSETS caused by Customer may be charged back to Customer at cost of repair or replacement plus a 10% administrative charge. This administrative charge is not associated with any explicit, direct, or indirect cost to service Customer, and reflects a reasonable fee determined by FEE to account for the costs, labor, and materials associated with damage to the ASSETS. FEE will maintain appearance of equipment due to normal wear and tear not caused by Customer at no charge to Customer.

6. TERMS OF AGREEMENT: The initial term of this Agreement is for ~~five-three (53)~~ years from the Effective Date, and shall automatically extend for successive ~~five-three (53)~~ year periods without further action by the parties, unless either party provides notice not to renew not less than sixty (60) days and no more than ninety (90) days preceding the ~~five-three (53)~~ year anniversary date. Notice is to be given in writing ~~and or via electronic mail furnished by certified mail~~. Both parties shall be relieved from performance under the terms of this Agreement when performance is impossible due to acts of God, including but not limited to hurricanes, storms, high water, wars, riots, fires, explosions, accidents, arrests, strikes or lockouts, terrorists acts or any other cause not within the control of the parties. In the event of a default by either party under this Agreement, written notice from the other party shall be given to the defaulting party and the party in default will have a period of ~~five-thirty (530)~~ days from the receipt of such Notice of Default to correct the same. Failure of the defaulting party to remedy or rectify the default within the prescribed period shall constitute a breach of Agreement.

7. CHARGES, FEES, ADJUSTMENTS: Customer shall pay FEE for the services provided by FEE in accordance with the pricing schedule as shown on the face of this Agreement. FEE reserves the right to increase, without Customer approval, monthly charges to account for increases in disposal, fuel, or transportation costs; uncontrollable circumstances such as changes in local, state, or federal laws or regulations; imposition of taxes, fees, or other charges; and acts of God or other circumstances requiring price increases. Prices may also be adjusted by FEE from time to time to account for increases in the local Consumer Price Index for Urban Wage Earners and Clerical Workers CPI-W (all items) published by the U.S. Dept. of Labor, Bureau of Labor Statistics. Environmental Fee: FEE may charge Customer an environmental fee. This fee is not specifically tied to the environmental compliance or other actual, direct, or indirect costs or services associated with servicing Customer's account; instead, the environmental fee is attributed to recovery of FEE's overall companywide costs associated with operating FEE's facilities and equipment in an environmentally safe and responsible manner and designed to achieve an acceptable operating profit. FEE is entitled in its absolute discretion to make reasonable changes to the amount of the environmental fee charged to Customer at any time and for any reason it deems necessary. In our collection operations these costs include, among other things, the disposal of tires, batteries, oils

CH KDC

and fluids and the monitoring and management of vehicle emissions. **Fuel Surcharge Fee:** FEE may charge Customer a fuel surcharge fee. This fee allows FEE to recover the cost of diesel or other fuel used by FEE in the operation of its overall companywide business, above a baseline cost, and allows FEE to achieve an acceptable operating margin to maintain high standards of customer service. FEE's standard fuel surcharge calculation is tied directly to the national average price of diesel fuel as reported and made publicly available weekly by the Energy Information Administration of the U.S. Department of Energy in its Weekly Retail On-Highway Diesel Prices Index. FEE's fuel surcharge matrix is available for review upon Customer's request. **Franchise Fee:** FEE may charge Customer a franchise fee. This fee reflects a user tax issued by a Florida municipality through FEE for services provided to Customer. FEE reserves the right in its absolute discretion to make reasonable and necessary changes to the amount of the franchise fee charged to Customer at any time and for any reason it deems necessary. For further information on FEE's charges, fees, and price adjustments, please visit www.floridaexpress.us or contact FEE by phone at (888) 813.7660 or by email at sales@FloridaExpress.us.

8. **CHARGES & PAYMENT:** Customer shall be liable for any and all taxes, fees or other charges imposed upon the services provided by federal, state, local or provincial laws and regulations. In the event that any payment is not made when due, FEE, at its sole option, may at any time, terminate this Agreement upon notice to Customer and recover any equipment on the premises of Customer. FEE may impose, and Customer agrees to pay, a late fee (Finance Charge) not to exceed the maximum rate allowed by applicable law for all past due payments. A 11/2% FINANCE CHARGE will be added to all past due accounts. Your FINANCE CHARGE is computed by a single periodic rate of 11/2% per month which is an ANNUAL PERCENTAGE RATE OF 18%.

9. **CREDIT CARD:** Customer has provided a credit card account number to guarantee payment of this Customer Account and agrees that FEE may charge the credit card account if the Customer's account is Ten (10) days past due.

10. **COLLECTION & LITIGATION ACTION:** This Agreement shall be interpreted in accordance with and governed by the laws of the State of Florida and the venue of any action to enforce or related to any provision of this Agreement shall be in Marion County, Florida. FEE shall be entitled to recover from Customer all costs and expenses in connection with collecting any monies owed on Customer's account(s) including, but not limited to, employee's time at the rate of \$50.00 per hour. In the event of litigation arising out of or in connection with this Agreement, the prevailing party shall also be entitled to recover its attorneys' fees and costs, at both the circuit court and appellate court levels.

11. **CHANGE TO ADDRESS AND SERVICES:** This Agreement shall continue in effect for the term provided herein and shall be binding and apply to all changes of size, type and quantity of ASSETS, service frequency of ASSETS, service address(es), and location or additional service locations of the Customer within the service area in which FEE provides service. Customer is responsible for notification to FEE for any changes to its address(es); either service or billing.

12. **ASSIGNMENT; SUCCESSORS; BINDING AGREEMENT:** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors, legal representatives and assigns. Neither party may assign this Agreement, or any of its rights or interest herein, without the prior written consent of the other party, except that FEE may assign this Agreement, or any of its

rights or interest herein, without such consent to any person or entity succeeding to its business (whether by consolidation, merger, purchase, or operation of law) and also to any parent, subsidiary or other affiliate of FEE. Customer will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of

Customer, by written agreement, in form and substance satisfactory to FEE, to expressly assume and agree to pay and perform this Agreement in the same manner and to the same extent that Customer would be required to pay and perform if no such succession had taken place. Failure of Customer to obtain such assumption and agreement prior to the effectiveness of any such succession will be a default under this Agreement and entitle FEE to compensation and damages from Customer in the same amount and on the same terms as FEE would be entitled to hereunder in the event of a default by Customer (specifically by failure to make payment in accordance with the terms of this Agreement) on the succession date. As used in this Agreement, the term "Customer" means the Customer as defined and listed in and listed on the front side of this Agreement and any successor to its business or assets which executes and delivers the agreement provided for in this Section or which otherwise becomes bound by all the terms and provisions of this Agreement by operation of law or otherwise. Assignments prohibited by this Section include, without limitation: (i) any voluntary assignment or transfer of rights; (ii) the transfer of rights by operation of law; and (iii) the transfer of rights by merger or consolidation. Any purported assignment in violation of this Section is void.

13. RESOLUTION OF DISPUTES: Both parties agree that the venue for any disputes arising out of this Agreement shall be in Circuit Court in Marion County, Florida. Arbitration and mediation are specifically waived by the parties.

14. DEFAULT: The Customer shall automatically be in default upon its failure to make any payment due hereunder to FEE within five (5) days of the due date; otherwise, either party shall be in default if they fail to cure a material breach of the provisions of this Agreement within five (5) business days after the receipt of written notice detailing the failure (collectively, an "EVENT OF DEFAULT").

15. LIQUIDATION DAMAGES FOR DEFAULT: After an EVENT OF DEFAULT, other than as provided or authorized herein, the parties agree and stipulate that in addition to any sums due for services rendered, the Customer shall pay to FEE a sum equal to ~~twelve (12) months' charges to be determined on the basis of the average of the last twelve (12) months' invoices during the existence of this Agreement, or if the Customer has not made purchases for twelve (12) months, the Customer's most recent monthly charge multiplied by sixty months (60) or the remaining term of this Agreement whichever is less, as liquidated damages.~~ Should multiple Agreements exist between FEE and the Customer, a default in one of said Agreements, shall be deemed a default of all Agreements. The parties agree and stipulate to this liquidated damages provision as means of establishing reasonable compensation in the event of the foregoing defaults.

16. NOTICE AND DAYS: All periods of notice in this Agreement shall start on the date of mailing or hand delivery of written notice. Days as used in this Agreement shall mean calendar days and shall include weekends and holidays.

17. RIGHT TO MATCH OFFER: Customer hereby expressly grants to FEE the right, if FEE desires to make in its sole discretion, to match any offer which Customer receives, or intends to obtain or accept relating to any services performed under this agreement. Customer agrees to give FEE advanced written notice of any such offer(s) and FEE shall respond to such offer within 10 days from the date of receipt.

18. TERMINATION RIGHTS. Notwithstanding the foregoing, this Agreement can be terminated prior to the end of the Initial Term or a Renewal Term as follows: (a) by Customer (with no obligation to pay liquidated damages as provided in Section 15), (i) if FEE fails to satisfy the Service Guarantee provided in Section 1(a) or (ii) pursuant to Section 7(c) if FEE increases the Charges payable by Customer hereunder with a Consensual Price Increase; (b) by Customer with thirty (30) days prior written notice to FEE, subject to Customer's obligation to pay liquidated damages as provided in Section 15 no later than thirty (30) days after written notice of termination; (c) by FFE, (i) if as a result of Customer's breach of payment terms, or (ii) if Customer fails to cure any other breach of its obligations under this Agreement within thirty (30) days of its receipt of written demand from FFE to cure such breach; and (d) by FFE, with at least thirty (30) days prior written notice to the Customer, any time after Customer retains, designates or appoints a broker or agent to act for Customer or manage its Services, under this Agreement. In order to move containers in a safe, secure and orderly fashion, Company shall have up to seven (7) days to remove any equipment from Customer's service location(s) after the effective date of the termination of this Agreement.
